

Deckorators Decking

Deckorators® composite decking offers a wide array of options in style and color options to fit your taste.

Each composite deck board is offered in slotted and solid-edge profiles and in 12', 16' and 20' lengths. Our Stowaway Hidden Fastener makes it easier than ever to complete an outdoor project. Additionally, all Deckorators decking is backed by our industry-leading 25-year warranty, so you (or your customers) will have peace of mind for many years to come.

A variety of choices

You're sure to find the composite deck materials you need to get your next job done. Our Vault line offers lightweight durability, making it easy to work with on the job site. Our Heritage decking line offers on-trend distressed looking boards - check out the new for 2017 Smokehouse and Riverhouse color swatches.

Choose Your Decking

From the patented Eovations™ technology to the industry's best strength-to-weight ratio and a 25 year removal AND replacement warranty, Deckorators decking is the best choice for looks and performance from your deck.

Deckorators Hidden Fastener

The Stowaway™ Hidden Fastener discreetly secures deck boards to joists with a single stainless steel, color-matched screw. The Stowaway screw comes preloaded, making the installation process faster, saving time and money. This system results in a beautiful, smooth and virtually fastener-free deck surface. Deck boards are automatically spaced at proper intervals, and the need for predrilling and countersinking are eliminated.

Deckorators Dexerdry

Deckorators® Dexerdry® offers a revolutionary deck weatherproofing solution. It is a simple, easy-to-install system that enables deck builders and homeowners to create dry zones under raised decks and eliminate water issues from ground-level decks. Dexerdry makes it possible to add extra outdoor living space and storage areas, with the confidence that they will not be affected by precipitation from the above deck structure.
